RE: MUR # 6852

Dear Ms. Hampton/Mr. Jordan:

I received your letter dated July 9, 2014. I represent Continental Divide International, LLC.

In said letter, you suggest that my client may have violated the Federal Election Campaign Act. However, the correspondence you enclosed from Montana Democrats merely recites payments my client has received. In fact, those payments are a matter of FEC public record and have been for years. The Montana Democrats do not assert any wrong doing on the part of my client; nor, do they suggest any wrongdoing by my client. In any event, while my client appreciates the opportunity to respond to your letter, as a corporate entity, Continental Divide International, LLC, unfortunately, does not hold any information that is responsive to your letter. Further, Continental Divide International, LLC affirmatively asserts that it has not acted or omitted to act in any manner that could be in violation of the Federal Election Campaign Act (as emended).

Kindly accept this correspondence as demonstration that no further action should be taken by the Federal Election Commission against my client.

Very truly yours,

Sean S. Frampton
